KEY FEATURES

- * LED Light Wall**
This wine center has an LED light wall that spans the back panel, illuminating the interior so every item is easy to find
- * Magnum Bottle Storage**
Chill up to eight 1.5 liter bottles of wine or prosecco without scratching the label or sacrificing space on the other shelves
- * Smart Technology**
The wine center has Built-In WiFi so you can control it from anywhere. Using the SmartHQ app, you can remotely change your temperature or dim the LED light wall. Plus, you'll get the latest connected home capabilities with new modes and updates
- * Flush Installation**
With built-in, flush-to-cabinet installation, this wine center fits in perfectly with your home's overall design
- * Dual Zone Temperature Control**
This wine center has two distinct zones that maintain any temperature between 41 and 61 degrees Fahrenheit, so you can keep both red and white wines at the perfect serving temperature
- * 46-Bottle Capacity**
Enjoy plenty of space to store rosé, champagne and all of your favorite wines
- * Articulating Door Hinges**
These hinges prevent the wine center door from striking anything in the kitchen, including your cabinetry. They also help the door open smoothly and close softly
- * Open Door Notifications**
Protect your bottle collection by receiving a push notification on your smart phone each time the wine center door is open
