KEY FEATURES

- * Double Drawer**
Experience the convenience of two drawers that you can use independently to wash everything from heirloom place settings to casserole dishes with separate cycles
- * Create a Look That Matches Your Personal Style**
With this customizable dishwasher, you can combine any of the premium finishes and hardware options for a stylish appearance that's truly unique
- * Small Load Setting**
Wash every load with a clean conscience thanks to an energy efficient dishwasher with two special settings for conserving resources. Guilt-free Small Load is ideal for partial loads, while Eco-Cycle was designed to consume less energy and water
- * Knock to Pause Function**
Pause the dishwasher mid-cycle with a simple knock, then press Start/Play to resume
- * Easy to Load and Unload**
Keep bending to a minimum while you load and unload the conveniently placed, ergonomically designed upper drawer
- * Accommodates Large Dish Loads**
With two removable silverware baskets and enough capacity for 14 place settings, you can wash every item in a single load, even after the largest meals
- * 6 Wash Cycles**
Go beyond the normal wash and dry with six cycles, plus Fast Dry, Sanitize and Ultra Dry options
- * Water Leak Sensor**
This dishwasher features Water Leak Sensor, preventing potential overflows for greater peace of mind. A water sensor cancels the wash cycle before a flood can occur and alerts you with blinking lights and a tone
