KEY FEATURES

\* CustomFit Top Rack

Load your way in this dishwasher with a customizable top rack. The sliding top rack provides loading flexibility with a place to load silverware, cooking utensils, ramekins and more, so you can wash everything at once.

\* CustomFit Basket

Load more than just silverware in this redesigned basket. The stylish CustomFit Basket holds all your silverware, delicate stemware, reusable straws and more, so items that were hand wash before can safely be washed in the dishwasher.

\* Ultra Wash & Dry

This ultra-wash and dry dishwasher ensures table-ready dishes. Ranging from gentle for delicate stemware or intense for pots and pans, flexible wash options ensure that dishes get full coverage and the right amount of pressure for an ideal clean.

\* 4 Bottle Wash Jets

This dishwasher with 4 bottle wash jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the jets directs water and detergent inside to effectively wash hard-to-reach areas.

\* Customizable Dishwasher Handles

Choose from six unique CAFÉ(TM) handle finishes to complement the rest of your kitchen thanks to this dishwasher with customizable hardware.

\* Favorites

Easily save your favorite wash and dry option combinations to the 'Favorites' button on your control panel for convenient and quick access at the touch of a button.

\* Adjustable Middle Rack

Load the dishwasher your way thanks to an adjustable middle rack. Easily move it up and down to fit bottles, large platters and other items as tall as 10.5".

\* Presoak

Loosen tough soils with a presoak cycle that runs before the wash cycle begins, so you can skip the need to pre-rinse or soak items by hand.
