KEY FEATURES

- * Enjoy total control in the kitchen and beyond**
Control your oven with your smart device or simply your voice using WiFi Connect
- * Achieve gourmet results with just a scan**
Delegate simple cooking tasks to family members with Scan-to-Cook Technology. With just the scan of a barcode, the microwave automatically adjusts cook settings based on package instructions
- * A microwave that's as versatile as you are**
Achieve crisp, golden brown results with a convection cooking setting and a special rack that allows air to circulate around foods for even heat distribution
- * Say goodbye to guesswork**
Enjoy consistently delicious results with sensor cooking controls that automatically adjust the time and power
- * Get that just-cooked quality anytime**
Even late-arriving guests can enjoy delicious results thanks to a warming oven that keeps foods ready to serve
- * Let the cooking take care of itself**
Take the guesswork out of preparing your favorite foods with an auto bake/auto roast feature that uses preprogrammed cooking times and temperatures
- * Enjoy design flexibility in your kitchen**
Create more room on the countertop for meal prep with a built-in capable microwave and matching trim kit
- * Nice and roomy**
Entertain with confidence with 1.5 cu. ft. capacity that can handle more of your favorite foods
