

CAFÉ(TM) Series ENERGY STAR(R) 36" Built-In Touch Control Induction Cooktop

Brand: Cafe | Model #: CHP90362TSS-4 | SKU: CHP90362TSS-4

SCRATCH & DENT PRICE: \$848.58 | MSRP: \$3,199.00 | SAVE 73%

Condition Grade A | In Stock: 1 | Includes 1-Year Factory Warranty

KEY FEATURES

*** Effortless Control and Responsiveness**

19 different heat settings and controls illuminated with white LED lights use induction technology to ensure burners quickly adjust and respond.

*** Easy Clean Surface**

A smooth glass surface with glide touch controls and induction technology that ensures spills won't burn makes this an easy clean cooktop

*** Rapid Boil**

Boil water faster thanks to induction elements that immediately heat your pan, not the cooktop surface.

*** Precision Temperature Control**

Set your burner to an exact degree, not just high, medium or low, with Precision Temperature Control. Using a smart pan, the cooktop maintains a specific temperature - from 100 to 500 degrees. Perfect for sauces, candies and frying.

*** Smart pans and a wireless sous vide probe**

Easily pair with this smart cooktop to ensure you get the perfect cooking results. (Accessories sold separately)

*** Safer Surface**

Stay free from worry with this induction cooktop that automatically detects your cookware, so when it's removed the burner automatically switches off

*** Most Efficient Heating**

Energy flows directly to your pan instead of the cooktop surface and surrounding areas, allowing for the most efficient heat available.

*** Synchronized Elements**

Connect and control two cooktop burners as one to create a bigger cooking surface for pans such as griddles.

SPECIFICATIONS

WiFi Connect	Built-In
Cutout Height (in)	4.625
Cooktop Burner Type	5 Induction Elements
Frame Color / Material	Stainless Steel
App Filter - Cabinet Width	Cooking 36 in.
Cooktop Size	36 in
Overall Height	3.25 in
Cutout Depth (in)	19.125
Parts Warranty	Limited 1-year entire appliance
Cabinet Width	36 in
Melt Setting	Yes
Warranty Notes	See written warranty for full details
Fuel Type	Electric
Element - Left Front	7" 2500W
App Filter - Cooktop Type	Induction
App Filter - Multi-Element Timers	Yes
Approximate Shipping Weight	57 lb

App Filter - Fuel Type	Electric
Color Appearance	Stainless Steel
Indicator Lights	5 Hot Surface, Setting Level Indicators, Surface Element "ON", White/Red
Element - Right Front	8" 3200W
Circuit Breaker (Amps) at 208V	50
Hertz	60
Control Location	Front Center
KW Rating at 208V	10.1
Cooktop Type	Induction
Overall Width	36.25 in
Cooktop Surface	Slate Ceramic Glass with Stainless Trim
App Filter - SyncBurners	Yes
Max. Current Draw (Amps) at 240V	48.3
Cooktop Control Features	All-Off Control, Boost (All Elements), Chef Connect, Control Lock Capability, Keep-Warm Setting, Kitchen timer, LED Light level adjustment, Melt Setting, Pan Presence Sensor, Pan Size Sensor, Sound adjustment, Sync-Burners Capability
