SCRATCH & DENT PRICE: \$3,401.30 | MSRP: \$5,399.00 | SAVE 37%

Condition Grade B | In Stock: 1 | Includes 1-Year Factory Warranty

KEY FEATURES

- * Harness a sense of control**
Turn any pan into a smart pan and automatically maintain a set temperature within one degree, thanks to a cooktop sensor that gives you total control from either the display or your smartphone
- * You've got an eye for perfect timing**
Monitor the progress of time-sensitive dishes without needing to open the oven door, with an in-oven camera that provides an interior view of cooking food visible from your smartphone
- * An attractive appearance at all times**
Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted
- * Enjoy total control in the kitchen and beyond**
Control your oven with your smart device or simply your voice using WiFi Connect ["https://products-salsify.geappliances.com/image/upload/s--CmmH0on--rllpstfsvprhp8prcukd.pdf"](https://products-salsify.geappliances.com/image/upload/s--CmmH0on--rllpstfsvprhp8prcukd.pdf) See details
- * The perfect combination of power & precision**
Stun guests by showing off your 11" 3,700-watt induction element, which uses chef-preferred induction cooktop technology to deliver precise heat to cookware only. That means you can do everything from boiling a quart of water in 101 seconds to melting butter at exact temperatures with amazing efficiency.
- * Precise control for flawless results**
Delight guests with the precision of sous vide cooking or perfectly prepared fondues and delicate sauces using a precision cooking probe that is sold separately
- * Ensure consistent temperature across a large area**
Evenly heat large griddles or enamel cookware across two 8" synchronized elements
- * Allow your appliances to interact with one another**
Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks
