AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * **30" wide**
A compact design fits in smaller spaces, yet still offers the large storage capacity of a bottom-freezer refrigerator
- * **LED lighting**
Find exactly what you've been looking for under crisp, clear lighting
- * **Sliding snack drawer**
Make more space, exactly where you need it, with a drawer that moves across the entire width of the fresh-food section
- * **Factory-installed icemaker**
Refrigerator comes ready to automatically create ice
- * **Advanced water filtration**
The included refrigerator water filter reduces 70+ impurities including lead, chlorine, microplastics, and PFOA/PFOS; providing clean, safe drinking water and ice (replacement water filters sold separately - check refrigerator filter compartment for compatible model)
- * **Upfront temperature controls with actual temperature setting display**
Easy-to-reach controls display accurate temperature settings
- * **Turbo Cool setting**
Drops interior temperature to maintain freshness after frequent openings
- * **Enhanced Shabbos Mode**
The Shabbos Keeper connects to your refrigerator to automatically enable Shabbos compatible modes each week and before every holiday (Shabbos Keeper sold separately, visit www.zmantechologies.com for details)
