SCRATCH & DENT PRICE: \$490.94 | MSRP: \$787.00 | SAVE 38%

Condition Grade B | In Stock: 1 | Includes 1-Year Factory Warranty

AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * Dry Boost(TM)**
Dry Boost outperforms standard heated dry dishwashers by getting hard-to-dry items like plastics up to 3 times drier when compared to heated dry
- * Water Leak Sensor**
This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached
- * Reliable Performance**
American made, this dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle
- * Adjustable Upper Rack**
Enjoy a dishwasher with flexible loading with an adjustable upper rack. Easily move it up or down to fit bottles, large platters and other items as tall as 10.5"
- * Steam + Sani**
Save time with a steam and sanitize option that loosens tough soils before the wash cycle begins, so you get a complete wash with no pre-rinsing or soaking necessary. Plus, a sanitization cycle reduces 99.999% of bacteria on dishes
- * 1-Hour Wash Cycle**
This one-hour wash cycle provides a quick, quality clean. Unload spotless plates, glasses, pots and pans without waiting hours for the dishwasher to finish
- * AutoSense Cycle**
This energy efficient dishwasher has an AutoSense Cycle that detects the soil level and amount of dishes, then automatically adjusts wash settings for the ultimate clean
- * Hard Food Disposer**
The Piranha Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate at 3,600 RPM to pulverize food particles and an anti-jamming design make sure wash arms stay unclogged

SPECIFICATIONS

Wash System	500 Series
Sensor	Clean Sensor
App Filter - Cabinet Width	Dish Traditional 24 in.
Tub Type	Tall Tub
Leveling System	4 Leveling Legs
OU Certified	No
Power Connection	Optional cord kit (GPFCORD - WX09X70910, WX09X70911)
Door Insulation	Insulation, Mastic
Energy Consumption (kWh/year)	270

Number of Place Settings	16
Tub Liner	Plastic
Cabinet Depth	24 in
Height w/ Legs Retracted - Minimum	33.375 in
Dishwasher Options	Child Lock, Delay Start 1-12 Hr., Dry Boost(TM), Heated Dry, Sabbath Mode, Sani (Certified to NSF Standard 184), Start/Reset, Steam PreWash, Wash TempBoost
