AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * 2.4 cubic foot capacity**
Wash large items and do laundry less often with 2.4 cubic feet of capacity
- * No vent required, standard 120v plug**
Can be installed conveniently in a closet, placed under a counter without the need to vent externally
- * All-In-One Wash & Dry**
Wash and dry your clothes in a single step with a combination washer and dryer that saves you space without sacrificing capacity
- * Detergent, Bleach and Fabric softener dispensers**
Save time doing laundry with dispensers that automatically release at the optimal point during the wash cycle
- * Auto Wash + Dry**
Experience total convenience with a feature that automatically sets the correct dry cycle based on the chosen wash cycle or select the dry cycle manually
- * Steam wash**
Penetrates deep into fabric fibers, loosening stains like tomato and grass, yet protecting your fabrics
- * Sanitize cycles**
Allows for a deeper clean with elevated temperatures designed to kill common household bacteria
- * Add a Garment**
Add last-minute items to the washer thanks to a button that pauses the machine and unlocks the door
