AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * Plugs into Dryer or Wall**
Washer plugs into GE 24" Ventless Condenser or 24" Vented dryer or properly installed 120-Volt wall receptacle for easy installation
- * Stainless steel basket**
Long-lasting stainless steel finish resists rust and won't chip, peel or snag clothes
- * Steam**
Penetrates deep into fabric fibers, loosening stains like tomato and grass, yet protecting your fabrics
- * ENERGY STAR(R) qualified**
Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- * Electronic touch controls**
Enjoy easy operation and cleanability with streamlined controls
- * 14 wash cycles**
Multiple cycles are designed to specifically handle various fabrics and soils
- * Quick Wash**
Provides a quick wash for lightly soiled items that are needed in a hurry
- * Inlet fill hoses included**
Easier installation with inlet fill hoses included with product
