AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * Large 4.0 Cu.Ft. Capacity**
Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.
- * Water Level Control**
Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.
- * Heavy-Duty Agitator**
Powerful Heavy-Duty Agitator provides better turnover for bulky items and thorough cleaning of large loads while still offering a gentle touch for delicate items.
- * Late Lid Lock Safety**
Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.
- * Status Notification**
Effortlessly monitor your wash cycle using the notification display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.
- * Stainless Steel Drum**
Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags
- * 10 Wash Cycles**
Choose from 10 trusted washer cycles that can accommodate any and every load type.
- * Made in America**
This American-Made washing machine contains 70 to 90% U.S. content.
