SCRATCH & DENT PRICE: \$398.30 | MSRP: \$749.00 | SAVE 47%

Condition Grade B | In Stock: 1 | Includes 1-Year Factory Warranty

AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

*** Large 4.3 Cu.Ft. Capacity**

Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

*** Cold Plus**

Wash without compromise in cold water. When selected Cold Plus adjusts wash action to achieve a great clean on any wash cycle while saving up to 90% on energy costs *Energy savings using cold water vs. hot water for the normal cycle with a max load using the DOE test procedure to measure machine and hot water energy.

*** Water Level Control**

Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.

*** True Dual-Action Agitator**

This durable, built-in, Dual Action Agitator provides better circulation and turnover of clothes to achieve a deep clean while being gentle on your clothes.

*** Sanitize with Oxi**

Remove 99% of bacteria with a dedicated cycle that lets you sanitize with Oxi. The additive boosts your detergent's cleaning power so that you can keep your fabrics looking and feeling their best.

*** Stainless Steel Drum**

Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags

*** Late Lid Lock Safety**

Pre-treat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

*** Status Notification**

Effortlessly monitor your wash cycle using the notification display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.
