AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * Large 4.5 Cu.Ft. Capacity**
Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.
- * Wash Boost**
Boost the wash performance of any cycle by adding an extra 15 minutes of soaking power for stubborn stains or more powerful agitation for heavily soiled items.
- * Cold Plus**
Wash without compromise in cold water. When selected Cold Plus adjusts wash action to achieve a great clean on any wash cycle while saving up to 90% on energy costs * Energy savings using cold water vs. hot water for the normal cycle with a max load using the DOE test procedure to measure machine and hot water energy.
- * True Dual-Action Agitator**
This durable, built-in, Dual Action Agitator provides better circulation and turnover of clothes to achieve a deep clean while being gentle on your clothes.
- * Water Level Control**
Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.
- * 10-Year Limited Motor Warranty**
Enjoy peace of mind for years to come with a washer warranty that backs the motor with a dependable 10-year limited warranty.
- * Sanitize with Oxi**
Remove 99% of bacteria with a dedicated cycle that lets you sanitize with Oxi. The additive boosts your detergent's cleaning power so that you can keep your fabrics looking and feeling their best.
- * Deep Fill**
Press a single button on this deep fill washer to add an additional 3 gallons of water or press and hold the button to fill up to a full 26 gallons.
