AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

* PreciseFill Technology

Take the guesswork out of choosing the right water level with PreciseFill, which auto-senses the size of the load to add just the right amount of water for maximum cleaning performance

* Deep Rinse

Ensure clothes are rinsed free of detergent, fabric softener and stubborn soils

* 11 Wash Cycles

Choose from 11 wash cycles that accommodate every load type

* 6 Water Temperatures

Pick the water temperature you prefer and wash your way

* ENERGY STAR(R) qualified

Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings

* WiFi Capable

Monitor performance and check cycle status of your washer and dryer using your mobile device.* *Required ConnectPlus accessory part number PBX10W00Y0 sold separately

* Efficient Infusor

Optimize energy efficiency without sacrificing wash performance

* Cycle Status Lights

Easily track your wash and dry cycles with lights that indicate the status with just a glance
