AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * LED Light Walls**
Two, bright LED Light Walls help illuminate every corner of your fridge and freezer, allowing you to see everything and find it fast.
- * Extra-Tall Water Dispenser**
Easily access filtered water and ice from an extra-tall, 11-inch dispenser made to fill everyone in the family's favorite water bottle.
- * In-Door Icemaker**
Located on the freezer door to create more usable shelf storage space. Dispense cubed and crushed ice through the door.
- * Extra-Large Storage Capacity**
It's easy to stay organized with extra room to store large or bulk food items with 23.5 cubic feet of storage space.
- * Extra Large Adjustable Door Bins**
Move the clear door bins up and down to fit your storage needs - whether it's large gallons, tall bottles, or everyday essentials. Four of the fresh food bins are extra large, which means you can fit two gallons of milk plus more, all in just one bin.
- * Two Freezer Storage Drawers**
Upgrade your storage game with two freezer drawers that give bagged frozen items a place of their own, making it easier to sort, store, and find exactly what you need.
- * Adjustable Fresh Food Shelves**
Store more of your favorite tall items like milk cartons and two-liters with adjustable refrigerator shelves.
- * Wide Fresh Food Shelves**
Take advantage of wide, wall-to-wall glass shelves - perfect for storing party platters, half baking sheets, and more.
