AT A GLANCE

The largest capacity counter-depth refrigerator in its class features PrintShield(TM) finish to resist fingerprints outside and flexible storage options inside. A slide-away shelf retracts to fit tall items, and full-extension self-close crispers and custom temperature pantry let you store more and find it easily. Plus, the Preserva(R) Food Care System with Linear Compressor helps keep it all at the peak of freshness.

KEY FEATURES

* PrintShield(TM) Finish

Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up.

* Under-Shelf Prep Zone

Utilizes empty space beneath the shelf to create a prep zone ideal for dough, desserts or marinating meats. 6" x 10" x 2" slide-out pan is oven- and dishwasher-safe, and easily transitions from fridge to oven so you can stay in the creative flow.

* Full-Extension Self-Close FreshSeal(TM) Crispers

Maintain optimal humidity levels to help keep produce at peak freshness. Brightly lit drawers open fully so you can see and easily access all your items.

* Full-Extension Self-Close Pull Out Tray in Premium Wood Finish

Ideal for large platters. The tray comes in a moisture- and stain-resistant premium wood finish and removes for easy cleaning. Full-extension allows easy access and self-close glides provide effortless movement, even when fully loaded.

* Slide-Away Shelf

Features a versatile design that allows three-quarters of the shelf to retract to accommodate taller items, such as wine bottles, up to 16.75 inches. This flexibility offers the most tall-item storage space in its class and helps optimize organization.

* Full-Extension Self-Close Custom Temperature-Controlled Pantry Drawer

Features four presets so you can customize temperature for meat/fish, cold drinks, deli/cheese and wine. Enjoy the effortless feel of self-close glides plus full-drawer extension.

* 3-Tier Self-Close Freezer Drawer with Extend-Freeze(TM) Setting

Self-close freezer drawer that organizes items on three levels with features like a divided lower drawer, pizza pocket, small-item drawer and flat-item shelf. An Extend-Freeze(TM) setting helps keep food at its best by reducing freezer burn.

* FreshSeal(TM) Herb Storage

Dedicated container that locks in freshness by maintaining higher humidity levels to keep herbs fresh. It fits tall items like parsley, cilantro and rosemary, and can be placed anywhere in the refrigerator.

* Three Full-Width Adjustable Shelves

Offer 2 levels of adjustment for each shelf with a simple flip of a lever. The full-width, flush design allows for maximum visibility and easy cleaning.

* FreshSeal(TM) Dairy Bin

Features a gasket seal to help extend freshness and preserve the flavor of butter and other dairy items. This bin can also be used to store foods with strong odors so they do not affect other items.
