Condition Grade B | In Stock: 3 | Includes 1-Year Factory Warranty

AT A GLANCE

The KitchenAid(R) French door refrigerator gives you the capacity and organization you need to fit everything from your last farmer's market haul-without losing sight of it. It features a wood-look sliding storage tray that keeps serving platters at the ready, and large capacity ice production that delivers ice right when you want it.

KEY FEATURES

* Max Capacity Meets Premium Personalization

Made to fit your groceries and customizable storage spaces to make them easy to access.

* Spacious Capacity at 30 Cu. Ft.

This impressively large French Door Refrigerator makes room for every farmer's market haul and brings convenience with customizable storage spaces for your unique ingredients.

* Large Capacity Ice Storage

Holds up to 3.5 lbs. of ice and creates an extra half shelf of storage space. The ice bucket is also removable to make filling coolers easy for any adventure.

* Wood-Look Sliding Storage Tray

Storage tray keeps serving platters and ingredients easily accessible. The tray pulls out for easy cleaning.

* Signature Platinum Interior

Premium craftsmanship and design wows from the inside out. Wood-look trim, metallic touchpoints and ultra-bright LED lighting pop against the stunning silver-colored finish.

* everydrop(R) Water Filter

Filter is easy to install, replace, and use. This filter reduces 75 potentially harmful contaminants like microplastics and lead while giving you clean, fresh-tasting water for recipes and drinks.

* Designed To Be Personalized

Personalize with a curated palette of exterior finishes and mixed metal hardware. Pick from lush Juniper, warm Black Ore and classic Stainless Steel finishes, all with matching handles.

* Large Capacity Ice Production

The ice maker delivers over 3.5 lbs. of filtered ice created per day. This convenient feature keeps up so you're well-prepared to meet the demands of your guests when hosting.

* Preserva(R) Food Care System

This system helps keep ingredients fresh and flavorful. This single evaporator system uses sensors to continually monitor temperature levels in both the refrigerator and freezer.

* Crisper Bins with FreshSeal(TM) Technology

Crisper bins feature a gasket seal to help maintain optimal humidity levels to keep your ingredients fresh.

* Produce Preserver

Helps delay over-ripening to extend freshness of fruits and vegetables. This replaceable filter for crisper drawers absorbs the ethylene gas produced as part of the natural ripening process for up to 6 months.

* Exterior Ice & Water Dispenser

The dispenser fits glasses and measuring cups and dispenses filtered water and ice without having to open the refrigerator door.

* Adjustable Glass Shelving

Adjustable shelving allows for personalized storage spaces so your most-used ingredients are always easy to find.

*** Easy-Access Freezer Bin**

Freezer bin keeps small ingredients visible and within easy reach, ideal for ice cream, frozen fruits and dough portions.

*** Full-Width Pantry Drawer**

The pantry drawer provides convenient storage for wide items and storage of longer foods, like bacon or butcher meat.

*** Gallon Door Bins**

Door bins maximize storage with thoughtfully designed and adjustable bins, accommodating gallon jugs, large containers and bulky items with ease.

*** Ultra-Bright LED Lighting**

LED lighting turns on when the refrigerator or freezer door is open, making it easy to find items inside.

*** Max Cool**

Drops refrigerator temperature to coldest level within one hour to help chill groceries, beverages and ingredients for serving. After 2 hours, temperature will automatically be restored to previous setting.
