

# Scratch & Dent KitchenAid(R) 36" 20.6 Cu. Ft. Counter Depth Side-by-Side Refrigerator with PrintShield Finish

Brand: KitchenAid | Model #: KRSC536RPS-4 | SKU: KRSC536RPS-4

**SCRATCH & DENT PRICE: \$1,541.54 | MSRP: \$3,399.00 | SAVE 55%**

Condition Grade A | In Stock: 4 | Includes 1-Year Factory Warranty

## AT A GLANCE

Make room for every grocery run and farmers market haul with this large capacity counter-depth side-by-side refrigerator from KitchenAid. Counter-depth design fits with surrounding cabinetry to create a built-in appearance. Panoramic LED Lighting illuminates every angle to keep ingredients in sight and easy to find. An Exterior Ice and Water Dispenser with Measured Fill allows you to select and dispense the exact amount you need in ounces, cups or liters.

## KEY FEATURES

### \* Spacious Counter-Depth Capacity at 20.8 cu. ft.

This large capacity counter-depth side-by-side refrigerator makes room for every grocery run and farmers market haul with 20.8 cu. ft. of capacity and specialized spaces for your special ingredients.

### \* Panoramic LED Lighting

Illuminates the back of the refrigerator to keep ingredients in sight and easy to find. The rear lighting tower, combined with additional LED light strips throughout the refrigerator and freezer, brighten up the view throughout.

### \* Customizable Spaces for Items Big and Small

Featuring nine removable glass shelves and eight adjustable door bins keep all of your ingredients easily accessible. Rearrange to fit tall wine bottles, stash small items within reach and organize frozen favorites.

### \* In-Door-Ice System with Removable Bin

Maximizes ice storage while maximizing space on freezer shelves by moving the ice bin to the door. The bin holds up to 4.3 lbs of ice, is clear so you can quickly see ice levels and can be removed to easily fill pitchers or coolers.

### \* Signature Platinum Interior

Wows from the inside out with premium craftsmanship and design. Wood-look trim, metallic touchpoints and ultra-bright LED lighting pop against the stunning silver-colored finish.

### \* ExtendFresh Temperature Management System

Helps keep ingredients fresh and flavorful. This single evaporator system uses sensors to continually monitor temperature levels in both the refrigerator and freezer and adapts the flow of cold air between them to maintain optimal temperatures throughout.

### \* Exterior Ice and Water Dispenser with Measured Fill

Conveniently dispenses filtered ice and water without opening the door. Measured Fill allows you to select and dispense the exact amount you need in ounces, cups or liters.

### \* Humidity-Controlled Crisper

Provides dedicated space for produce with the ability to adjust humidity levels to match. Choose high humidity to help vegetables stay crisp, low humidity to help fruit stay fresh or a setting in between to balance the needs of both.

### \* Wood-Look Sliding Storage Tray

Keeps serving platters and ingredients easily accessible. The tray removes fully for easy cleaning.

### \* Max Cool

Helps quickly chill recently loaded groceries by setting the refrigerator compartment to the lowest temperature level for up to 6 hours.

### \* Max Freeze

Helps frozen items quickly reach optimal storage temperatures by setting the freezer compartment to the lowest temperature level for up to 48 hours.

### \* FreshFlow Air Filter

Deodorizes 15x better than baking soda. The replaceable carbon-based filter neutralizes common food odors for up to 6 months.

**\* Touchscreen Controls**

On the front of the refrigerator make it easy to choose temperature settings, control the icemaker and check the status of the water filter, all without opening the door.

**\* Counter-Depth Design**

Fits with surrounding cabinetry, creating a built-in appearance while freeing up more space in the kitchen.

**\* Sabbath Mode**

Meets kosher requirements for use on the Jewish Sabbath and other holidays. Turning on Sabbath Mode disables the refrigerator's automatic lights and alarm tones while maintaining cold temperatures for freshness.
