AT A GLANCE

The Maytag(R) garage freezer is made to withstand both hot and cold conditions when in freezer mode. This garage ready chest freezer has been tested to withstand temperatures between -18 degC and 43 degC (0 degF and 110 degF) while maintaining an optimal temperature inside. It's also adaptable. As a freezer fridge combo, this freezer can convert depending on your storage needs and includes heavy-duty sliding baskets for a durable organization solution. With Power Loss Assist, food stays frozen for over 35 hours after a power outage, giving you one less reason to worry.
