The FastFreeze option turns your upright freezer into a time capsule for food, lowering the freezer to its coldest temperature for 24 hours to lock in flavor and freshness. Our 10-year limited parts warranty on the compressor guarantees that you can count on it to keep all your food frozen for years. In a Maytag(R) upright freezer, food stays its best from grocery day until weeks later when that juicy roast and those crispy vegetables become a tasty meal for your family.
