KEY FEATURES

- * Two Dishwashers in One**
Two drawers that run separately or together give you more control to clean the way you want-whether it's a quick rinse or a full party's worth of dishes.
- * Fits a Standard 24" Dishwasher Cabinet**
This Double Drawer Dishwasher is designed to be installed flush with your cabinets and fits into a standard 24" dishwasher cutout ensuring it blends seamlessly into your kitchen.
- * Conveniently Wash Small Loads for Everyday Use**
Wash in just one drawer to save time, water and energy so you always have clean dishes available when you need them. Plus, you can continue loading dirty dishes in the other drawer, ensuring you always have a clutter-free kitchen.
- * Ergonomic Design**
This dishwasher drawer design makes daily loading and unloading of your dishes effortless with waist-level access and less bending.
- * Combined Capacity for up to 14 Place Settings**
Each drawer has space for up to 7 place settings without compromising on capacity or loading flexibility.
- * Plenty of Space for Large Plates up to 13"**
Easily fit everything you need to wash with a top drawer that fits 13" items and a bottom drawer that fits 11" items-perfect for large plates and tall cookware.
- * Variety of Wash & Dry Options**
Ultimate control to wash what you need with six Wash Cycles, plus Sanitize and Extra Dry options so you can wash everything from delicate glassware to messy pots & pans.
- * Flexible Shelving with StemSafe(TM)**
Flexibility to wash a variety of drinkware with four adjustable shelves per drawer so you can safely wash wine glasses, mugs, tall tumblers or glasses.
