AT A GLANCE

GE(R) appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless appearance, this family of appliances is ideal for your family. And, coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is practical.

KEY FEATURES

- * Nugget Ice**

Enjoy crunchy, chewable and versatile nugget ice that enhances specialty drinks, fills bottles more easily and provides a great base for chilled platters
- * Built-In WiFi, Powered by SmartHQ App**

Equipped with Built-In WiFi, you can control this icemaker from anywhere. Up your entertainment game using the SmartHQ app to remotely adjust lighting, receive filter/cleaning alerts and schedule ice production so you always have enough on hand
- * Integrated Water Filtration**

The GSWF integrated icemaker premium filter is certified to reduce lead, particulates, chlorine-resistant cysts, and 5 other impurities* from your ice.
- * Clear Storage Bin**

The ice storage bin is clear, so you can easily see how much ice you have on hand
- * LED Interior Lighting**

Bright LED lights keep your ice in clear view
- * Soft Touch Ice Scoop**

Use this soft touch mountable ice scoop to transfer ice from the machine and into containers or cups
