KEY FEATURES

- * LED Hood Light**
Get a bright view of your cooktop as you prepare your favorite meals with LED lighting in this range hood
- * 1200 CFM Range Hood Blower Motor**
This high-CFM range hood offers powerful ventilation that keeps your kitchen fresh and free of cooking fumes and odors
- * Built-In WiFi**
This smart range hood lets you adjust vent speed and turn on lights using your phone, for the ultimate in kitchen convenience
- * ADA Compliant**
This ADA compliant range hood can be operated with a mobile device, eliminating reaching and improving safety for users of all abilities
- * Baffle Filters**
The baffle filters in this range hood trap more grease and require less frequent cleaning than standard filters
- * Chef Connect**
Synchronize your oven and GE Appliances hood insert so the hood turns on when the cooktop turns on and the lights illuminate when a burner is activated
- * Backlit Push Button Controls**
Easily operate this range hood with push buttons that are illuminated from behind and simple to find and reach
- * 4-Speed Fan**
Have strong ventilation at four fan speeds that you can adjust to match your cooking techniques
