AT A GLANCE

Simplify steps in the cooking process with an electric slide in range that lets you skip preheating for frozen favorites with Frozen Bake(TM) Technology. Get more flexibility and fast boil times on the cooktop with high wattage FlexHeat(TM) Dual Radiant Elements. This range is also equipped with a high-temperature, adjustable self clean oven cycle so you can clean without using chemicals.

KEY FEATURES

* 4.8 Cu. Ft. Whirlpool(R) Electric Range with Frozen Bake(TM) Technology

Simplify steps in your cooking process with an electric slide in range that lets you skip preheating using Frozen Bake(TM) Technology and get favorites like frozen pizza on the table quickly.

* Frozen Bake(TM) Technology

Skip preheating and cook frozen favorites like pizza in fewer steps with preprogrammed settings that automatically adjust cooking times for you.

* Adjustable Self-Clean Cycle

Clean without chemicals by running this high-temperature setting. The Adjustable Self-Clean Cycle can be set to high or low based on the soil level of the oven.

* 4.8 Cu. Ft. Capacity

Easily cook large meals with 4.8 Cu. Ft. Capacity.

* Keep Warm Setting

Keep dishes from getting cold with this setting that delivers low heat to the oven.

* Broil Setting

When you place food close to the oven's top heating element using the Broil Setting, you can quickly sear meat, char vegetables, brown lasagna, caramelize the top of a casserole and more.

* Delay Start

Program the oven to start baking at a future time so you can move onto other things, and still get dinner to the table on time.

* Cooktop Indicator Lights

Notice when the cooktop's still on or hot with Cooktop Indicator Lights, so you can finish every meal with added peace of mind.

* ADA compliant

This range meets the Standards for Accessible Design specified by the Americans with Disabilities Act to provide equal access to all.

* Sabbath mode

Use Sabbath mode to keep the oven on the "Bake" setting at a constant temperature until it's turned off.

* Two FlexHeat(TM) Dual Radiant Elements

Get two elements in one with a 6" inner ring that's great for smaller pots and pans and a 9" outer ring that makes room for larger cookware.

* Ceramic Glass Cooktop

Wiping up spills is simple with the Ceramic Glass Cooktop. The raised edges help contain spills, so you can easily clean the cooktop.
