**SCRATCH & DENT PRICE: \$1,375.39 | MSRP: \$2,999.00 | SAVE 54%**

Condition Grade A | In Stock: 4 | Includes 1-Year Factory Warranty

## AT A GLANCE

Get all the storage you need with the flexibility you want. This 36-inch French Door refrigerator features a Refrigerated Exterior Drawer that keeps everyday items within easy reach with its own adjustable temperature controls. The Exterior Ice and Water Dispenser with Whirlpool Water Filtration delivers fresh water and ice without ever opening the door, and the Measured Fill function dispenses an exact amount in ounces, cups or liters and automatically shuts off. Adjustable Gallon Door Bins, frameless glass shelves, LED interior lighting, and a Pantry Drawer with full-width temperature control round out a flagship-grade family-size fridge.

## KEY FEATURES

### \* Refrigerated Exterior Drawer

Keep items you use most within easy reach. An exterior drawer gives you additional refrigeration space and lets you adjust temperature controls and dividers based on what you're storing.

### \* Exterior Ice & Water Dispenser with Measured Fill

Select the exact amount of filtered water you need - the dispenser fills your container in ounces, cups or liters and automatically shuts off when it's done.

### \* Whirlpool Water Filtration (EDR4RXD1)

Industry-leading filtration removes contaminants and reduces odors for fresh-tasting water and ice.

### \* Adjustable Gallon Door Bins

Move these adjustable bins anywhere in the door for increased loading flexibility when and where you need it.

### \* LED Interior Lighting

LED Interior Lighting brightens up the inside of your refrigerator so you can easily find family favorites.

### \* Pantry Drawer with Full-Width Temperature Control

A full-width temperature-controlled drawer is ideal for storing deli platters, party trays, large produce and more at the perfect temperature.

### \* Factory-Installed Icemaker in the Door

10.5 lb. ice storage capacity with cubed ice - the icemaker lives in the refrigerator door so it doesn't sacrifice any freezer space.

### \* Slide-Out 2-Tier Freezer

Pull-out freezer with two full-width plastic drawers and small-storage-bin dividers helps you organize frozen items so they're easy to find.

### \* Frameless Adjustable Glass Shelves

1 adjustable full-width glass + 1 fixed full-width glass + 2 adjustable half-width glass shelves move up or down for tall-item flexibility.

### \* Extra Cold Bin

Full-width Extra Cold Bin keeps temperature-sensitive items like dairy and beverages at their ideal storage temp.

### \* Reach-Through Handles

Stainless steel aluminum reach-through handles on a contour-style door give the fridge a premium, built-in look.

### \* Control Lockout + Door-Ajar Alarm

Lock the controls to prevent accidental changes, and an audible alarm warns you when a door is left open.

### \* Vacation Mode

Cycle the fridge into power-saver mode while you're away to reduce energy use without compromising food safety.

**\* Sabbath Mode (Star-K Certified)**

Meets kosher requirements for the Jewish Sabbath and other religious holidays.

**\* ENERGY STAR Qualified (CEE Tier I)**

Energy-efficient design helps reduce utility bills while keeping food at perfect storage temperatures.

**\* Max/Fast Cool**

Quickly drops the temperature when you load groceries to keep food fresher, longer.

**SPECIFICATIONS**
