AT A GLANCE

Conveniently store the family's favorites with this 33-inch Whirlpool side-by-side refrigerator. 21 cu. ft. of total capacity gives you room for groceries large and small, and frameless glass shelves move easily so you can fit and find what you need. Exterior Ice & Water with everydrop(R) filtration keeps the drinks flowing without opening the door, an in-door Can Caddy holds cans or bottles to free up shelf space, and LED interior lighting casts a clean light over every shelf. Tap-touch controls clean as easily as you use them and hidden hinges give the cabinet a built-in look.

KEY FEATURES

- * **21 cu. ft. Total Capacity**
Plenty of space for groceries large and small with smart storage on every shelf.
- * **Exterior Ice & Water Dispenser**
Dual-pad dispensers give you filtered water and ice without ever opening the door.
- * **everydrop(R) Water Filtration**
Industry-leading filtration removes contaminants and reduces odors for fresh-tasting water and ice.
- * **Frameless Glass Shelves**
Store more items on each shelf with wall-to-wall frameless glass shelves that offer greater storage flexibility.
- * **Adjustable Gallon Door Bins**
Move these adjustable bins anywhere in the door for increased loading flexibility when and where you need it.
- * **Can Caddy**
Free up shelf space and get more flexibility using this in-door can caddy that holds cans or bottles.
- * **Deli Drawer**
A dedicated drawer keeps meats and cheeses organized and easy to find.
- * **LED Interior Lighting**
Keep food looking as good as it tastes - LED light is cast inside the refrigerator so food looks like it's supposed to.
- * **Tap Touch Controls**
Clean these flush controls as easily as you use them.
- * **Hidden Hinges**
Get a seamless built-in look with door hinges that stay out of sight.
- * **Fingerprint Resistant Stainless Steel**
Resists fingerprints and smudges with steel that easily wipes clean.
- * **Factory-Installed Icemaker**
Don't worry about refilling ice trays with this pre-installed icemaker that makes sure you always have plenty of ice on hand.
- * **Electronic Temperature Controls**
Choose the ideal temperature for whatever foods you're storing with convenient, up-front controls.
- * **Control Lockout**
Lock the controls to prevent accidental changes from curious little hands.
- * **Humidity-Controlled Crisper**
Keep produce fresher longer with a dedicated crisper drawer that lets you dial in humidity for fruits or vegetables.

*** Adjustable Glass Freezer Shelves**

Easily organize frozen foods with shelves that move to fit large items.
