AT A GLANCE

Get dinner on the table fast with the Whirlpool Induction Range. Its Induction Technology generates heat directly within cookware to heat and boil quickly, and it keeps the cooktop surrounding the elements cool, helping prevent baked-on messes for quick cleaning. It features a large Griddle Zone that allows you to connect two separate heating elements into one so you can cook more food at once. The range makes without the wait thanks to No Preheat Air Fry and Air Cooking Technology modes like Air Baking, Air Roast, and Air Broil. It's also ENERGY STAR(R) Certified to help save money on your utility bills
