AT A GLANCE

You'll have plenty of room to store all your frozen favorites inside this 18 cu. ft. SideKicks(R) freezer. Enjoy a longer-lasting, energy-efficient light on your frozen items with LED lighting. And, activating Fast Freeze quickly drops the temperature to help lock in freshness and flavor, and the temperature alarm will notify you if the freezer gets too warm. This SideKicks(R) freezer prevents frost build-up with frost-free defrost, so you won't have to empty the freezer to manually defrost again. You can choose the ideal temperature for whatever frozen foods you're storing with electronic temperature controls. Plus, you can be sure there is plenty of ice on hand with the optional icemaker.
