AT A GLANCE

This stainless steel wall mount kitchen hood looks great and provides the right amount of ventilation for every meal you prepare thanks to the 3-speed, 400 CFM motor class. Bright, long-lasting LED task lighting makes it easy to see what you're cooking. Plus, the range hood's convertible ventilation means you can vent vapors and odors outside or filter them and recirculate the air, depending on your kitchen ventilation system setup. When venting at low speed, sound levels can get as low as 44 dBA.

KEY FEATURES

- * 3-Speed, 400 CFM Motor Class**
Three fan speeds let you choose the right amount of ventilation
- * 44 dBA (.7 Sones) at Low Speed**
Keep the kitchen quiet, even when venting at the highest speed
- * Convertible Ventilation (Recirculating or Vented)**
Convertible ventilation provides more installation options
- * Grease filter**
Help trap unwanted grease and help remove odors
- * LED Task Lighting**
Easily see what you're cooking with LED task lighting
