KEY FEATURES

- * Built-In Wine Refrigerator**

Create a sleek, integrated look with flush installation, blending effortlessly into your kitchen, bar, or entertainment space. This 24" built-in wine refrigerator offers a seamless design while providing optimal conditions for your wine collection.
- * Expansive Wine Storage**

Store up to 91 bottles of your favorite wines in this high-capacity wine refrigerator. Whether you prefer reds, whites, or sparkling wines, you'll have ample space for a diverse selection.
- * 13 Smooth Glide Shelves**

Enjoy easy access to your wine collection with smooth-glide shelves. These shelves extend fully, allowing you to effortlessly select the perfect bottle for any occasion.
- * Panel-Ready Refrigeration**

Customize your built-in wine cooler with stainless steel panels (sold separately) or match it with your existing cabinetry using custom panels with your cabinet maker or contractor, ensuring a design that fits perfectly into your home.
- * 4 Preset Wine Storage Modes**

Optimize your wine preservation with four preset modes tailored to white, red, sparkling, and cellar storage, ensuring each bottle is stored at its ideal temperature and humidity.
- * Statement or Minimalist Collection Handles - Sold Separately**

Elevate the design of your wine refrigerator by selecting handles from one of Monogram's collections (sold separately)
- * Display Shelf**

Showcase your favorite bottles with a dedicated display shelf, keeping standout selections or planned pairings easily accessible for entertaining or everyday enjoyment.
- * Dual Zone Wine Storage**

Maintain precise temperatures in both compartments with dual-zone temperature control. The independent evaporators in the upper and lower zones ensure consistent preservation for a wide variety of wines.
