KEY FEATURES

*** 5-in-1 Oven with Advantium(TM) Technology**

Revolutionize your cooking experience with the Monogram 5-in-1 Oven, powered by Advantium Technology. This multifunctional appliance serves as a precision speedcook oven, convection oven, toaster oven, warming/proofing oven, and microwave-all in one sleek unit. Achieve restaurant-quality results with minimal effort, making every meal a culinary masterpiece.

*** Speedcook Modes**

Achieve oven-quality results two to eight times faster than a conventional oven as the high-intensity light system combined with ceramic & radiant heating elements rapidly cook the outside of foods, sealing in natural juices at the same time and microwave energy works to evenly cook the inside.

*** In-Oven Camera**

Stay connected to your culinary creations, no matter where you are. The built-in in-oven camera, accessible via the SmartHQ app, lets you monitor the progress of your dishes remotely, providing peace of mind and control at your fingertips.

*** Spacious Interior**

Designed for everyday convenience, the oven's generous 1.7 cu ft capacity easily fits a 9"x13" casserole dish on its turntable. This ample space allows for versatile cooking while keeping your countertops free from clutter.

*** WiFi Connected**

Connect, control, and continuously improve your kitchen capabilities with over-the-air updates that ensure your appliance stays ahead of the curve, offering more functionality and features over time.

*** 175 Preprogrammed Recipes**

Explore endless culinary possibilities with over 175 pre-set food selections. The ability to add up to 30 custom recipes further personalizes your cooking experience, ensuring every dish is tailored to your taste.

*** LCD Touchscreen Control Display**

The vibrant 7" LCD touchscreen provides an intuitive interface for selecting cooking modes, adjusting settings, and viewing recipes. Its sleek design adds a modern touch to your kitchen while enhancing usability.

*** Cookware Accessories**

Enhance your cooking versatility with a range of included accessories. The metal flat and grill trays are perfect for Speedcook, broil, toast, warm, and convection bake functions, while the wire rack allows for efficient two-level convection baking.
